WELCOME RECEPTION

ANGEL

I've lived in Joshua for about 10 years. I grew up on 50's and 60's music, and I love listening to old artists would be James and Natalie. I love gospel music, gospel and contemporary heart. I am currently serving as a catechist in leadership at Southwestern Baptist Seminary. I attend church in Fort Worth and minister to the young adults.

I love to try and enjoy working for the Lord. I'm happy to be in the midst of people who are pursuing music and growing. God has given them.

JASMINE SAUNDERS

I moved to Texas from California with my family in 2004 and I'm glad I did. My musical background is in flute. I played all through junior high and high school. I haven't kept up with it after school, but I may change that... I have worked as a receptionist off and on for around 10 years. I also have a degree in graphic design, which has been a hobby of mine. Working here at Mountain Valley Studios has been a blast. It's been great meeting all the current students and proud parents and I look forward to meeting many more!
